

**National RN Case Manager Certificate Program  
Schedule At a Glance – MARCH 2024 Class**

**PROGRAM SCHEDULE**

Participants independently complete 4 hours/week of faculty guided online study following the course sequencing and faculty prompts embedded in the recorded lectures. Four 8 hour Sections make up the National RNCM Certificate Program. Following completion of each Section students may attend a 1 hour faculty touchpoint discussion specific to the content topics of each section. A zoom link will be sent to you at the email provided with your registration.

1 Week before Class Begins <b>TH, MARCH 7</b>	<b>Virtual Faculty Welcome &amp; Course Details</b>  This Virtual Welcome is an opportunity for students to gain experience connecting and interacting using the virtual classroom.
