

National RN Case Manager Certificate Program Schedule At a Glance – SEPT 2024 Class

PROGRAM SCHEDULE

Participants independently complete 4 hours/week of faculty guided online study following the course sequencing and faculty prompts embedded in the recorded lectures. Four 8 hour Sections make up the National RNCM Certificate Program. Following completion of each Section students may attend a 1 hour faculty touchpoint discussion specific to the content topics of each section. A zoom link will be sent to you at the email provided with your registration.

1 Week before Class Begins TH, SEPT 26	Virtual Faculty Welcome & Course Details This Virtual Welcome is an opportunity for students to gain experience connecting and interacting using the virtual classroom. We will use this time for introductions and to review course details. Participants may access the classroom and begin completing course content.
